INTRODUCTION

It is important that you read this application pack in full before applying for or renewing a Hackney Carriage & Private Hire (Dual) Driver Licence. This application pack does not replace the Council’s Hackney Carriage & Private Hire Licensing Policy, and should be read as an abbreviated version of the relevant Hackney Carriage & Private Hire licensing content, in order to assist you in making any new or renewal application.

Appointments: Due to the high volume of drivers, vehicles, and new applicants, all applications to obtain or renew a licence must be made by way of a pre-booked appointment with the Licensing Officer.

New Licence: Licences will be issued for a maximum duration of three years or for a lesser period if the Licensing Authority deems appropriate. In all cases a licence will only be issued subject to the Licensing Authority being satisfied that the applicant is “fit and proper” to be issued with the licence.

The Licensing Authority issues one type of driver licence, namely a Hackney Carriage & Private Hire (Dual) Driver Licence, which allows a licence holder to drive both Hackney Carriage Vehicles and Private Hire Vehicles licensed by Ashfield District Council.

Fit and Proper Person: Licensed drivers are in a position of trust, and therefore must remain fit and proper to hold a licence. In order to assess the suitability of an applicant the Licensing Authority will undertake any checks and apply whatever processes it considers necessary to determine whether an applicant is ‘fit and proper’ to hold a licence and ensure that licences are not issued to, or used by, unsuitable people.

In assessing the suitability of an applicant or licence holder, the Licensing Authority will consider the following factors:

- Criminality including cautions
- Period of holding a driver’s licence
- Number of endorsed driving licence penalty points
- Right to work
- Medical fitness
- Standard of driving / driving ability
- General conduct / standards of behaviour (including online behaviour)
- The conduct of the applicant in making the application (e.g. whether they have acted with honesty and integrity during the application process).
- The previous licensing history of existing / former licence holders (including honesty and integrity).
- Theoretical knowledge of issues and matters related to the work of a licensed driver, including an assessment of English language and numeracy skills.
In addition, the Licensing Authority may need to verify information or obtain further information from other sources such as the Police, other local authorities, statutory & non-statutory agencies and Boards such as the Children and Adult Safeguarding Boards. An applicant will be required to provide consent at the application stage.

Renewal of Licence
It is the responsibility of the licence holder to apply for the renewal of the licence at the appropriate time. Under no circumstances will licences be issued without full and satisfactory checks having first been carried out, including Medical Reports, DVLA Disclosure and Enhanced Disclosure & Barring Service Report. To avoid delay, applicants are advised to submit an application no later than 8 weeks before the expiry of their current licence, by way of a pre-booked appointment with the Licensing Officer. A licence cannot be renewed unless all of the necessary checks have been completed.

If you do not book an appointment before your current licence expires, then you must apply as a New Applicant.

All licence holders are required to provide the Licensing Authority with their consent for an annual Enhanced Disclosure and Barring Service check and DVLA Driver Licence check to be carried out, in order to ensure that the Licensing Authority may undertake up-to-date background checks to assist with the grant and maintenance of the licence.

A check on the licence holders’ health must also be obtained when submitting any renewal application by way of the appropriate Medical Report form.

Suitability
The Council reserves the right to require any applicant or existing licence holder to provide additional DVLA Disclosures, Enhanced Disclosure & Barring Service Reports or full Medical Reports if the Licensing Officer has reason to believe that such a person’s circumstances may have changed since the application was made.

The Licensing Authority may get information about you from third parties, or give information to them to check the accuracy of information. This is to prevent or detect crime, or to protect public funds in other ways, permitted by legislation. These third parties include other local authorities and government departments.

The legislation states that the Council may grant a licence ONLY if it is satisfied that the person is fit and proper – the onus is on the applicant to prove this, NOT the Council to demonstrate that they are not.

Issuing / Suspending / Revoking / Withdrawing or Refusing to Renew a Licence
It must be clearly understood that the Hackney Carriage & Private Hire (Dual) Driver Licence is issued in good faith, and should any information supplied by the applicant prove to be false or misleading, the licence may be suspended. The licence may also be suspended if the drivers Department of Transport drivers licence is suspended or revoked by a Court of Summary Jurisdiction. Any caution, conviction or pending prosecution of any nature must be reported to the Licensing Officer regardless of nature, penalty or outcome immediately.
The attention of drivers and applicants for a Hackney Carriage & Private Hire (Dual) Licence is drawn to Section 61 of the Local Government (Miscellaneous Provisions) Act 1976, whereby a District Council may suspend, revoke, or refuse the renewal of a licence where the driver has been convicted of any offence involving dishonesty, indecency, violence or any other reasonable cause. The Council reserves the right to consider other matters which do not amount to a conviction but which they feel are likely to be relevant to whether or not the applicant is a fit and proper person. These considerations also apply when considering whether to renew a licence.

Right to Work in the UK
The Council has a duty to ensure that only those persons who are entitled to work in the UK are issued a Hackney Carriage & Private Hire (Dual) Licence. For this reason all applicants (new and those applying to renew their existing licence) must provide evidence to show that they are entitled to work in the UK (without restriction; those persons who have restricted ability to work in the UK will NOT be granted a licence).

If you are granted full entitlement to work for 12 months at a time, you will be required to resubmit your documents every 12 months to show that your entitlement has been renewed / extended. If, at any time, your entitlement is removed, your licence will be revoked. Further information regarding what documents you can submit with your application to show your entitlement are given later in this document.

DVLA Driver Licence Check
The grant / renewal of a licence is subject to an annual check being made as to the status of your DVLA Driver Licence in respect of any relevant driving convictions. This DVLA check is also carried out at the time that the application is made or sooner if the Licensing Officer has reason to believe that it should be.

Enhanced Disclosure & Barring Service (DBS) Report
The grant / renewal of a licence is subject to an annual Enhanced Disclosure & Barring Service Report. It is strongly recommended that licence holders sign up to the DBS Update Service which allows for an instant online check to be carried out, and prevents delays when processing your licence application.

Medical Certificate (Group II Standard of Medical Fitness)
Before a licence can be issued the applicant must be certified fit to Group II Standard Medical Fitness to be a Hackney Carriage & Private Hire driver by a GP/Doctor who has access to the applicant’s medical records. The approved form to be used for this purpose is included in this pack. Your GP/Doctor may charge a fee for this examination. Once licensed, applicants are required to undergo a medical examination for the following periods according to the applicant’s age group: Aged to 45: Self-Certification at every licence renewal. Aged from 45: Medical Certificate every 5 years with Self-Certification at every licence renewal. Aged 65 or over: Medical Certificate annually.

CRITERIA FOR NEW APPLICANTS TO PROVE THEIR SUITABILITY

DVLA DRIVER LICENCE CHECK
Ashfield District Councils prime consideration is to the safety of the travelling public. As a part of the vetting process, a check is carried out as to the status of your DVLA Driving Licence in order to assess whether there are any relevant endorsements (if any are present) that may impact on your application for a Hackney Carriage & Private Hire (Dual) Licence.

A Hackney Carriage & Private Hire (Dual) Driver Licence will not be issued to any new applicant who has not held a full United Kingdom driving licence carrying the applicant’s current address, for a minimum of 12 months, or held a licence from another EEA state for a minimum of 12 months together with a DVLA counterpart showing the applicants current address. You must also provide a copy of your driving record in English to include motoring convictions. Applicants who hold a DVLA driving licence are required to agree to the provision of a check on their driving history, and the approved form is included in this Application Pack.

The DVLA Driver Licence check is carried out online, however, on rare occasions it may need posting to the DVLA and this can take up to 3 weeks to complete.

ENHANCED DISCLOSURE & BARRING SERVICES (DBS) CHECK
The Enhanced Disclosure & Barring Service (DBS) Mandate is included in this Application Pack. The Enhanced DBS check will provide details of live/spent convictions, police cautions and other relevant information that will be considered when determining the application.

You are required to complete an Enhanced Disclosure & Barring Service Mandate and advised to sign up to the DBS Update service. If you have not been a resident in the UK for 5 years you will need to provide proof that you do not have a criminal record, such as a Certificate of Good Conduct from the country in which you have been resident (which must be in English) for the period you lived outside the UK.
Any documentation produced must be verifiable, and sufficient to enable a decision to be made in respect of the applicant’s suitability to hold a Hackney Carriage & Private Hire (Dual) Driver Licence. The DBS check can take up to eight weeks to be issued even when all the forms are correctly completed, hence why we advise you to sign up to the DBS Update service in order to prevent delays to the issue of the licence.

If you have been previously convicted of either criminal or motoring offences that may not necessarily prevent you from being granted a licence, as it will depend upon what the offences were for, and how long ago they occurred. **However, you should note that it is an offence not to declare such information on your application to the Council.** In cases where the Licensing Officer is unable to determine the grant of the licence, the matter will be referred to a “Hearing”. You may wish to refer to our **Convictions Policy** (which can be found on our website or requested from the Licensing Authority), which states the guidelines that the Licensing Authority and the Courts will have regard to when determining an application.

Previously issued Enhanced DBS certificates may be accepted if a) it is an Enhanced DBS Disclosure Certificate and has been processed in relation to the child and adult workforce employment position; and b) it has been issued within the last three months.

All licence holders shall notify the Licensing Authority of any convictions, cautions, or fixed penalty notices received during their licence period. Failure to inform the Licensing Authority of these during the licensing period may result in suspension, revocation and/or any other course of action deemed appropriate by the Licensing Authority.

A Hackney Carriage & Private Hire (Dual) Driver Licence will not be granted or renewed in the absence of a current Enhanced DBS Disclosure Certificate, or a satisfactory check having been carried out by way of the DBS Update Service. Ashfield District Council has a Code of Practice in respect of checks carried out when assessing an applicants’ suitability to hold a licence.

**MEDICAL REPORT CRITERIA**
Before a licence can be issued the applicant must be **certified fit by a GP/Doctor** (who has access to the applicants medical records) to be a Hackney Carriage & Private Hire driver. The approved **Group II Standard Medical Report** form to be used for this purpose is included in this Application Pack.

**SAFEGUARDING VULNERABLE PASSENGERS COURSE**
It is a mandatory requirement for all new applicants to attend the Ashfield District Council “Safeguarding Vulnerable Passengers” Course as part of the criteria applicable to a new application for a Hackney Carriage & Private Hire (Dual) Driver Licence with this Authority. The cost of the course is included in the New Applicant fee payable to Ashfield District Council. However if you fail the test that is set at the end of the course, you will need to re-sit the test and pay a fee of £30.00 per retest.

When you attend your appointment with the Licensing Officer to submit your application, the Officer will reserve you a space on the next course, and you will be given a “chit” with this information contained on it. Upon completing the course and passing the test you will be issued with a Certificate, and your application will be updated.
KNOWLEDGE TEST CRITERIA
New applicants must also undertake a Knowledge Test with this Authority. The test is devised so that applicants can prove that they have sufficient knowledge of the current standards, rules and regulation pertaining to the licence, the conduct required of licensed drivers, and that they can demonstrate a satisfactory level of English literacy and numeracy. As part of this process, applicants will be required to demonstrate that they possess a level of English language skills reasonably expected of a licensed driver.

The Knowledge Test consists of 20 multiple choice questions (you must pass at least 16), 5 questions that seek to evaluate your English language skills (you must pass at least 3), and 5 basic numeracy questions (you must pass at least 3). You are not permitted to take any aids or personal belongings with you into the room in which the test is taken, save for your copy of this Application Pack.

The test is marked by a Licensing Officer, and you will be notified of your result by email / post. If you pass the test your application will be updated to record this.

The Council conducts the tests, it does not teach the knowledge required, however to assist you a list of all rules and regulations, a summary of other laws and responsibilities applicable to Hackney Carriage & Private Hire drivers, and information relating to safeguarding vulnerable passengers can be found within this Application Pack.

The Licensing Authority has a legal duty to ensure that any person to whom a licence is granted has the right to work in the UK. At your appointment with the Licensing Officer when you submit your application, you will also be required to provide evidence that you are entitled to work in the UK. Further information as to what documents can be used as proof of your entitlement to work in the UK can be found within this Application Pack.

Should you wish to proceed with your application to become a licensed driver, you should refer to the section “Procedure for New Hackney Carriage & Private Hire (Dual) Driver Licence” which will give further information on what to do next.

**DRIVER DRESS CODE**

Hackney Carriage and Private Hire licensing in the District of Ashfield plays an important role in portraying a positive image of Ashfield.

All licensees are expected to conduct themselves in a manner that serves to enhance the professional image of the Hackney Carriage and Private Hire trade, and promotes the concept that drivers of licensed vehicles are professional vocational drivers.

Employees working for companies operating their own dress codes will also be required to comply with this standard. The Licensing Authority requires all drivers to adhere to the following dress code:

Drivers must ensure that at all times a smart standard of dress and cleanliness is maintained which is acceptable to the general public. The seasonal wearing of dress shorts or culottes as appropriate will be allowed and drivers must wear either a short sleeved shirt, blouse or collarred polo shirt. Flip Flops and/or bare feet are not acceptable when on duty.
RESPONSIBILITIES FOR ALL DRIVERS

The Licensing Authority requires all its drivers to ensure that passengers are safeguarded when being transported in a licensed vehicle. The following are applicable:

Drivers are expected to:

• Ensure that they are fit to drive at all times;
• Ensure their vehicle is fit to be driven at all times;
• Not to use a vehicle which could put the public at risk;
• Remain professional at all times;
• Carry photo ID at all times, and wear it in accordance with any conditions of licence.
• Not to use offensive or inappropriate language;
• Not to swear;
• Not to behave in a manner that would make passengers feel uncomfortable, intimidated and/or threatened;
• Not to misuse personal information obtained during whilst working;
• Ensure a log is maintained which records all incidents, refusals and accidents involving passengers and/or reported to the Operator immediately and in any event before taking the next fare.

VULNERABLE PASSENGERS

Drivers and/or Operators must confirm that appropriate provisions are in place for any vulnerable passengers prior to accepting any bookings and/or commencing a journey. A Driver/Operator would not be responsible for any alterations, but is responsible for ensuring the passenger is able to be transported safely and comfortably.

If a responsible person is not accompanying a vulnerable passenger the Driver should make reasonable attempts to obtain contact details for a responsible person in case of an emergency.

If a Driver is unable to commence a journey due to safety concerns then all reasonable measures should be taken to ensure a responsible person is notified to enable alternative arrangements to be made.

REPORTING YOUR CONCERNS

If a driver is concerned about the safety, welfare or behaviour of an individual, they should report it to the Police by telephoning 101 (or in emergencies by calling 999), Crimestoppers, or the Nottinghamshire Multi-Agency Safeguarding Hub.

VEHICLE SAFETY

All licensed drivers are responsible for ensuring their vehicle is safe to carry members of the public and must refrain from driving it if there are any physical/mechanical concerns.

All concerns must be reported to the Private Hire Operator or the vehicle proprietor/owner as soon as practicably possible by the Driver. The vehicle must not be used until the concerns have been rectified.
RECOMMENDED MAXIMUM HOURS
There are no direct controls over the hours that Hackney Carriage and Private Hire drivers can work. There are, however, limits applicable to drivers and crews of heavy goods vehicles or public service vehicles. The Licensing Authority deem that the number of hours worked by drivers can impact public safety and as a result seeks to promote the same limits, namely:

- An average of 48 hours per week calculated over a 17 week period normally;
- In any single week up to 60 hours providing the 48 hour limit is maintained;
- Night work is limited to 10 hours per night unless there is an agreement to work longer hours;
- Working between 6 and 9 hours per day requires breaks totalling 30 minutes. If more than 9 hours is worked then breaks must total 45 minutes. Breaks must be of at least 15 minutes in duration.

The Licensing Authority recommends that these requirements are used as a guideline to ensure drivers are fit to drive and that public safety remains paramount at all times.

ENFORCEMENT PROCEDURES

It is this Authority’s policy to deal with enforcement matters relating to an applicant or existing licence holders by means of Licensing Officers, the Director: Place & Communities, and the Courts. The expectation of the Authority is that any person who seeks the grant of a licence, or who holds a licence, meets with our definition of a “fit and proper” person. Licence holders maintain close contact with the public and are therefore not expected to behave or act in a manner that may:

- cause any person to take offence at their actions
- cause any person to believe their actions are inappropriate
- cause any person to fear of their physical safety
- cause any person to doubt their integrity
- brings in to disrepute the integrity of the Council for having granted such a person a licence
- fail to adhere to the conditions and regulations pertaining to the licence

Any complaints or enforcement measures are dealt with in the first instance by the Licensing Officers by way of a “Warning” system. Any failures on the part of an applicant or existing licence holder to uphold the Licensing Objectives or to adhere to the conditions and regulations pertaining to the licence may result in any of the following actions:

- the issue of a Warning (appropriate to the incident reported)
- the issue of a higher level of Warning (appropriate to the incident reported and having regard to the history of the licence holder)
- the request for an interview to be held in accordance with the Police and Criminal Evidence Act 1984
- the issue of a Formal Caution
- the suspension or revocation of the licence
- the referral of the matter to a Sub-Committee Hearing
- the referral of the matter to the Legal department for possible prosecution

You will find details of the Warnings and further actions that the Licensing Authority may take contained within our Convictions Policy that can be found on the Council website, or obtained from the Licensing Team.
SAFEGUARDING: VULNERABLE CHILDREN AND ADULTS

Human Trafficking is the crime of moving a person (adult or child) from one place to another into conditions of exploitation, using deception, coercion, the abuse of power or the abuse of someone’s vulnerability.

Unfortunately vulnerable persons can be “moved” by criminals who chose to have the journeys carried out in licensed vehicles, without the drivers having any reason to believe that such a person is a victim of such a crime.

Licensed drivers are the eyes and ears of their communities through the work they do and the contacts they have, and if you are able to spot the signs of human trafficking and know how to report this crime, you can be a major force in tackling this terrible activity.

There are three main elements involved with Human Trafficking:

- **Movement**: recruitment, transportation, transfer, harbouring or receipt of people (adults or children).
- **Control**: threat, use of force, coercion, abduction, fraud, deception, abuse of power or vulnerability, or the giving of payments or benefits to a person in control of the victim.
- **Purpose**: exploitation of a person (adult or child), which includes prostitution and other sexual exploitation, forced labour, slavery or similar practices, street crime, forced marriage and the removal of organs forced to work, beaten, abused and too scared to escape.

HOW CAN YOU SPOT IF SOMEONE MAY BE VULNERABLE AND BEING EXPLOITED AND TRAFFICKED?

There are various tell-tale signals to look for. One sign on its own does not mean someone has been trafficked, but several signs together should give you cause for concern. Perhaps the person shows signs of the following:

- Does not know their home or work address
- Allows others to speak for them when addressed directly
- Live or travel in a group, sometimes with other persons who do not speak the same language
- They are collected very early and/or returned late at night on a regular basis
- May have inappropriate clothing for the work they are performing, and/or a lack of safety equipment
- Their physical appearance may show signs of injury, malnourishment, unkempt
- They may be isolated from the local community and/or appear to be under the control or influence of others
- Have no cash of their own
HOW TO REPORT YOUR CONCERNS?

If you suspect that a person (adult or child) is vulnerable and may be the victim of abuse, exploitation and/or trafficking, you can report your concerns in confidence by telephoning:

- **Nottinghamshire Police:** 101 (or if an emergency 999)
- **Crimestoppers:** 0800 555 111
- **Nottinghamshire Multi-Agency Safeguarding Hub:** 0300 500 8090

WHY DO I NEED TO KNOW ABOUT SAFEGUARDING?

Everyone is becoming aware of the well-publicised issues relating to Child Sexual Exploitation and Human Trafficking that have occurred throughout the country. These are abhorrent crimes, and the Licensing Authority has a duty to assist the Taxi and Private Hire Trade and the public in tackling this issue, and to protect those who are vulnerable and / or being exploited. We need the help of taxi and private hire drivers and operators to identify those who commit these crimes, and protect those who most need our help.

This page and our website are devoted to helping you as a license holder or applicant to be aware of those who may be vulnerable or being exploited, and questions relating to this subject are posed within the Local Knowledge & Safeguarding Test that all new applicants must undertake as part of the criteria for the grant of a licence.

However, there is always more that can be done by everyone to help promote a better understanding of this subject, and we hope that this page and our website will assist you in being able to identify those at risk, how to protect those who may be vulnerable or being exploited, how to ensure that your actions do not negatively contribute to such persons becoming victims, and to whom to report your concerns.

WHERE CAN I FIND MORE INFORMATION ON SAFEGUARDING?

A full page devoted to Safeguarding, designed with help from the National Working Group and various other Councils can be found on the Council website:

http://www.ashfield.gov.uk/taxilicensing

If you are a new applicant, many of the questions posed in the Local Knowledge & Safeguarding Test will be more familiar to you if you have studied our online Safeguarding page. As an existing licence holder, the information on the website will help you identify and support those persons in most need of help, and in turn support the authorities in tackling these abhorrent crimes and protecting the most vulnerable in our society.
TRANSPORTING DISABLED PASSENGERS

Customer Care starts from the moment that the customer hires the vehicle. There should be good customer relations between the driver and the customer. Talking to the customer to check what they require will make it quick and easy to give them a better service. Many disabled people have at some time experienced well-intentioned but clumsy assistance that has caused them discomfort and pain.

The way a driver gives the best possible service to each customer will vary for each customer and the type of disability that they have. **Always** ask what help (if any) a customer may need. Make sure you are familiar with any access and safety equipment in your vehicle. **Ask the customer if they are all right before you start the journey.**

If the passenger is in a wheelchair you should always:-
- Pull up as close as possible to the kerb;
- Always use the ramps;
- If necessary, tip up the back seat to give more space to manoeuvre the wheelchair;
- Insist that the passenger travels in the correct position as recommended by the vehicle manufacture. In the case of a London type cab this position will be facing the rear of the vehicle. **The wrong travelling position is unsafe;**
- Always make sure that the brakes of the wheelchair are on;
- Be polite and ask before touching or moving a passenger;
- **Always secure** the wheelchair and ask if the passenger needs help to fasten the seat belt provided;
- If it has been raised, lower the back seat if the passenger would prefer it;
- Avoid sudden braking or acceleration;
- Bring the wheelchair out of the vehicle backwards down the ramp and ask if the passenger would like the brakes on once they have been unloaded;
- Leave the passenger in a safe and convenient place, which enables them to move away independently.

When taking a person in a wheelchair up a kerb you should place your foot on one of the tipping levers (which project from the back of the wheelchair at ankle height) and pull the wheelchair onto its back wheels. Pull the wheelchair onto its back wheels so that its front wheels are level with the kerb and follow with the back.

When taking a person in a wheelchair down a kerb, again place your foot on the tipping lever and pull the wheelchair onto its back wheels. Gently lower the wheelchair down the kerb so that both of the rear wheels touch the ground at the same time, then lower the front wheels.

This method should only be used for kerbs and single steps; where there is a flight of steps; two people are needed for safety.

There are a number of wheelchair designs that are either too large for the ramps and to fit through the doorway or are unable to be manoeuvred when inside the vehicle. There are also some passengers whose size and build, or nature of disability (i.e. those passengers requiring extended leg rests) that precludes them from safely using a licensed vehicle.
However you cannot refuse to take a passenger in a wheelchair if your vehicle can safely take it.

It is against the law and the conditions attached to a drivers licence to refuse a wheelchair passenger.

It could lead to prosecution and your Hackney Carriage & Private Hire (Dual) Driver licence being revoked.

HOW TO ENSURE THE SAFETY OF WHEELCHAIR USERS

Both the restraint system for the wheelchair and the safety belt for the passenger must be used on every occasion. Failure to do so may render you liable in the event of an accident and could affect your insurance cover.

• In the interest of the comfort and safety of both the passenger and yourself, the ramps must be used to board a passenger using a wheelchair.

• Passengers using wheelchairs must never travel facing sideways or forward. It is not possible to secure the wheelchair or adequately protect the passenger in either position. They should always travel in the recess of the passenger bulkhead, facing towards the rear of the vehicle.

• The wheelchair restraint mechanism must always be attached to the rearmost main upright tubes on opposite sides of the wheelchair frame in a position that does not allow it to fall off or slide down. The restraint must never be attached to wheels, spokes or footplates.

• The brakes on the wheelchair must always be applied during the journey. You should remember that the brakes alone are not sufficient for wheelchair restraint. They do however give a little lateral stability during the journey, which provides reassurance for passengers.

• The wheelchair restraint mechanism isolating switch must always be in the “off” position before the journey begins. If it is left in the “on” position the wheelchair is still unrestrained.

• It is important to remember that the wheelchair restraint mechanism offers no security to the passenger. It is a legal requirement for passengers to wear seatbelts provided. Unless they hold a medical exemption certificate.

• Wheelchairs must always be taken out of the vehicle backwards.
EQUALITY ACT 2010

HOW DOES THIS AFFECT HACKNEY CARRIAGE & PRIVATE HIRE (DUAL) LICENCE DRIVERS?
The Equality Act 2010 includes provisions relating specifically to Hackney Carriages and Private Hire vehicles and disability.

The information below provides details of the provisions contained within the legislation that place responsibilities on drivers of Hackney Carriages and Private Hire Vehicles.

- To assist passengers in wheelchairs (if you drive a wheelchair accessible vehicle); and
- To carry guide dogs / assistance dogs.

DUTIES ON DRIVERS TO ASSIST PASSENGERS IN WHEELCHAIRS
The Equality Act places duties on the drivers of designated wheelchair accessible Hackney Carriages and Private Hire vehicles to provide physical assistance to passengers in wheelchairs.

The duties apply to the driver of any wheelchair accessible Hackney Carriages and Private Hire vehicles which are on the licensing authority’s list of “designated vehicles”. Ashfield District Council will be maintaining a list of designated vehicles (in effect this is all Hackney Carriage Vehicles licensed by the Council) and therefore the following duties will apply to you.

The duties being placed on the drivers of designated wheelchair accessible Hackney Carriages and Private Hire vehicles are (under Section 165 of The Equalities Act 2010):

- To carry the passenger while in a wheelchair
- Not to make any additional charge for doing so
- If the passenger chooses to sit in a passenger seat, to carry the wheelchair
- To take such steps as are necessary to ensure that the passenger is carried in safety and reasonable comfort; and
- To give the passenger such “mobility assistance” as is reasonably required.

WHAT DOES MOBILITY ASSISTANCE MEAN?
Mobility assistance essentially means helping passengers who use wheelchairs by providing physical assistance. If the passenger wishes to remain in the wheelchair, the driver must help the passenger to get into and out of the vehicle. If the passenger wants to transfer to a seat, the driver must help him or her to get out of the wheelchair and into a seat and back into the wheelchair; the driver must also load the wheelchair into the vehicle. The driver must also offer to load the passenger’s luggage into and out of the vehicle.
LISTS OF WHEELCHAIR ACCESSIBLE VEHICLES

Section 167 of the Act allows Licensing Authorities to maintain a list of “designated vehicles”, that is, a list of wheelchair accessible Hackney Carriages and Private Hire vehicles licensed in their area. The consequence of being on this list is that the driver must undertake the duties in section 165.

GUIDE DOGS / ASSISTANCE DOGS

Duties are also placed on Hackney Carriage and Private Hire drivers when driving licensed vehicles to carry guide dogs and other assistance dogs under the requirements of the Equality Act 2010; unless he / she is exempt from the duty to carry an assistance dog on medical grounds.

WHAT IF I HAVE A MEDICAL CONDITION WHICH PREVENTS ME FROM CARRYING OUT EITHER OR BOTH OF THESE DUTIES?

The Act allows for exemptions from the duties on medical grounds regarding providing mobility assistance and from carrying guide dogs / assistance dogs if the driver’s physical condition makes it impossible or unreasonably difficult for him or her to comply with these duties. It is the responsibility of drivers who require an exemption to apply for one from their Licensing Authority.

WHO DECIDES IF A DRIVER IS EXEMPT?

The local Licensing Authority decides if a driver should be exempt from the duties.

HOW WILL PASSENGERS KNOW THAT I AM EXEMPT FROM THE DUTIES TO ASSIST PASSENGERS?

The Licensing Authority will issue you with a special Exemption Notice which exempted drivers must display on their vehicles in order that passengers will know that the driver is exempt from one of more of the required duties.

I DO NOT HAVE ANY EXEMPTION FROM PROVIDING MOBILITY ASSISTANCE AND / OR CARRYING GUIDE DOGS OR ASSISTANCE DOGS AT PRESENT, HOW DO I APPLY FOR AN EXEMPTION FROM HAVING TO FULFIL THESE DUTIES?

You will need to contact the Licensing Team by telephoning 01623 457589 or by emailing licensing@ashfield.gov.uk to inform an Officer of your request, and for the necessary application form to be sent to you. When submitting your completed form, you will be required to provide evidence from your Medical Practitioner supporting your application and substantiating the medical reasons applicable to your request.

Your application will be determined by the Licensing Team Leader, and if successful you will be issued with the relevant Exemption Notice to display within the vehicle.

WHAT TO DO WHEN YOU RECEIVE YOUR ENHANCED DBS DISCLOSURE

(IMPORTANT)

The Disclosure and Barring Service Disclosure Report will be returned to you at your home address. Upon receipt of the Disclosure Report you will need to either send or deliver the original Disclosure Report to the Licensing Authority at this office (please mark your envelope: Private & Confidential, F.A.O. Licensing Officer, Taxi Licensing) or send a scan of the entire Disclosure Report to licensing@ashfield.gov.uk clearly identifying your name on your email and, if held, your badge number.

The Licensing Authority no longer receives its own copy of the Disclosure. At your appointment you will be handed an “Information Chit” advising you what to do when you receive your DBS Disclosure. Please note that a licence and badge cannot be issued until we have received and processed your DBS Disclosure. When issued, the licence and badge will be posted to your home address.
Owing to the time it may take in the processing of DBS Disclosure mandates, we strongly advise you to sign up to the DBS Update Service. The Licensing Officer will provide you with information about the DBS Update Service at your appointment. The Update Service currently costs £13.00 per annum, and all that you need to do is set up a direct debit with the DBS and provide written authorisation to the Licensing Officer at your renewal / declaration appointment to carry out an online check.

Once a DBS Disclosure Certificate is received you have a period of 31 calendar days to subscribe to the DBS Update Service.

The Licensing Authority requires all licensed drivers to undergo a DBS annually on the anniversary of the grant of the licence or upon renewal. Signing up to the DBS update service will enable the Licensing Authority to undertake this check on behalf of the applicant. If this service is not subscribed to, it will be the responsibility of the applicant to ensure an Enhanced DBS Certificate is available at the date of the anniversary.

GUIDELINES RELATING TO CRIMINAL CHECKS FOR PEOPLE WHO HAVE SPENT TIME OUTSIDE OF THE UK – CERTIFICATE OF GOOD CONDUCT

Where an applicant/driver has been absent from the UK, a Disclosure and Barring Service (DBS) check would not be sufficient evidence of his/her criminal record. All applicants/drivers (including those renewing a licence) must complete as part of the application form a questionnaire in order to ascertain what time, if any, the applicant has spent resident outside of the UK since the age of 10.

Applicants/drivers who have been resident in any other country or countries for 6 months or more will be required to provide a Certificate of Good Conduct from each country (unless previously seen by this Authority). For these purposes, a “Certificate of Good Conduct” means an extract from the judicial record or equivalent document issued by a competent judicial or administrative authority in the relevant country testifying to good conduct or to any criminal convictions recorded against the individual.

The Licensing Authority may wish to approach the relevant Embassy or appropriate Body directly to verify the documents provided. The applicant/driver will be advised of any costs to be incurred and these costs must be met by the applicant/driver. Consent should not be unreasonably withheld. Where necessary documents must be translated into English or another language by a translator approved by the Licensing Authority. The cost of obtaining an appropriate translation must be met by the applicant/driver.

All applicants/drivers who have been resident in the UK will be required to obtain an enhanced DBS check for the period of time they have been resident in the UK.

Applicants/drivers who are unable to provide the necessary DBS check or Certificates of Good Conduct to the satisfaction of the Licensing Authority, may be unable to satisfy the Licensing Authority that they are a fit and proper person to hold a driver’s licence and the application may be refused or any existing licence may be suspended/revoked. Any person aggrieved by a decision of the Licensing Authority has the right of appeal to a Magistrates’ Court.
PREVENTION OF ILLEGAL WORKING: RIGHT TO WORK IN U.K.

The Council has a duty to ensure that all those individuals it grants a licence to are entitled to work in the UK. APPENDIX THREE:  
GROUP II STANDARD MEDICAL REPORT  
ASHFIELD DISTRICT COUNCIL

MEDICAL REPORT

NOTE FOR MEDICAL PRACTITIONERS:

In completing this medical certificate, Medical Practitioners are asked to have regard to the recommendations by the Medical Commission for Accident Prevention in their book “Medical Aspects of Fitness to Drive”.

You may find it helpful to read DVLA’s ‘At A Glance’ booklet. You can download this from the ‘medical rules for all drivers’ section at:  
ww.dft.gov.uk/dvla/medical/medical_professionals.aspx

Photographic identification must be provided by the patient before the examination takes place. This should be in the form of a Driver Licence or Passport. Please copy the identification document, sign and date it and attach the copy to the medical certificate form which will be returned to the Licensing section by the applicant.

Also ensure that you have permission to access their full medical history before examination.

This certificate is not one which must be issued free of charge as part of the National Health Service. Ashfield District Council accepts no liability to pay for it. Unless any other arrangements have been made for the payment of the fee, the applicant is to pay.

NOTE FOR APPLICANT

The applicant may use his/her own GP for this medical examination or alternatively arrangements can be made to use any other Medical Practitioner who can offer a Group II medical and has written permission to access the applicants medical records.

Photographic identification must be presented to the GP carrying out the medical before the medical takes place. (Drivers licence photocard or passport are acceptable).

A medical report will not be accepted without a photocopy of the photographic identification produced at the medical, signed and dated by the GP.

If you choose not to use your own GP then written permission to access your medical records will be required by the medical practitioner of your choice.

This Certificate requires completing:

a. On the first application for a Hackney Carriage & Private Hire (Dual) Driver Licence
b. When aged 45, 50, 55, 60 and 65
c. Annually after the age of 65 and on all other occasions when required by Council
Please note that an application will not be processed without the medical certificate where one is required.

The Department for Transport ‘Taxi and Private hire Vehicle Licensing Best Practice Guidance’ recommends that the DVLA Group II Medical Standards of fitness to drive are applied to applicants for a Hackney Carriage & Private Hire (Dual) Driver Licence.

This medical guidance is provided for anyone who considers that they may have difficulty in meeting the required standard and who may wish to seek advice from their GP or the DVLA before requesting a medical appointment. The list of medical problems is not exhaustive, but covers those which may lead to refusal.

**Epileptic Attack**  
Applicants must have been free of epileptic seizure for at least the past 10 years and have taken anti-epileptic medication during this period

**Diabetes**  
Applicants who are insulin dependant diabetics will not be considered fit to hold a Hackney Carriage & Private Hire (Dual) Driver Licence unless they meet the DVLA criteria for category C1 licences

**Eye Sight**  
In addition to meeting the DVLA licence requirements to read a vehicle number plate, a visual acuity of at least 6/9 in the better eye and 6/12 in the worst eye (with or without glasses or contact lenses) together with a normal binocular field of vision is required.

**Other Medical Conditions**  
Applicants who have had heart problems or disturbance of cardiac rhythm or who have persistent high blood pressure may not meet the required medical standards.

Applicants who have had recent severe head injury or major brain surgery may not meet the required standard.

Any condition, for example, Parkinson’s Disease, Multiple Sclerosis or other ‘chronic’ neurological disorder which is likely to affect limb power and/or co-ordination may not be accepted.

Please remember to complete questions 1-13 and sign/date the declaration and consent, before you attend your appointment.
