We provide a service to house owners who wish to name a house or alter a housename.

From 1<sup>st</sup> April 2017, the charge for this is £55. This service includes a listing on our Land and Property Gazetteer as well as notification being sent to all interested parties, including the emergency services.

Please be aware that where a property is numbered, the housename must be used in conjunction with the number. Where an address contains a housename only, this can be replaced.

Royal Mail will hold the number first (with the housename as an alias) with the housename being displayed only where a number does not exist.
