**The Environmental Volunteer Scheme is all about encouraging people to get involved in taking positive action to make a difference in their local community.**

**There are a range of different opportunities including:**

- 😊 **Horticulture maintenance on parks**
- 😊 **Litter picks and clean-ups**
- 😊 **Helping to improve green spaces**
- 😊 **Tree and bulb planting**
- 😊 **Involvement in events**
- 😊 **Other environmental improvements**

**We support individuals and community organisations to get involved. We can provide FREE materials and equipment.**

**So why not join in and help us make a positive impact in your local community.**
