

THE BIG ASHFIELD SPRING CLEAN

2019

PUTTING PRIDE INTO THE COMMUNITY

What is the BIG Spring Clean?

We are rolling out The BIG Ashfield Spring Clean across the district as part of the Council's commitment to make Ashfield a cleaner place to live, work and visit. Residents are invited to have a clear out of their houses and dispose of their extra waste. Waste should be bagged and put out with your regular bin collection during the relevant week, on your usual collection day. As long as it is in a bin liner and doesn't contain hazardous material we will collect it. Please note extra waste may not be collected at the same time as your bin.

You can dispose of any bulky waste items by booking a free collection with our Environment Team between 11th February and 1st March 2019.

Flying Skips will be travelling and stopping at specified drop off points across the district. Residents are invited to bring additional waste items, including small furniture to the drop off points at specific times (right). Fridges cannot be accepted by the Flying Skips. If you wish to dispose of a fridge please contact the Environment Team to arrange collection.
