Shop front improvements grant scheme

Guidance and information notes

What is the Shop Front Improvements Grant Scheme?

This scheme provides grants for retail businesses to improve their shop front.

It is hoped that these grants will enhance the visual appearance of the retail shopping areas, thus making them more attractive to shoppers and increasing footfall.

Am I eligible to apply for a grant?

- The grant is available to existing independent retailers¹ who would like to replace, improve or carry out repairs to their shop front
- Premises must be located in the district of Ashfield
- Retail units must have a ground floor and street facing frontage to be eligible
- This scheme is available to retail businesses that are **already** occupying premises

Certain businesses are excluded from applying for this grant and these include pawn brokers, adult/private shops, betting shops, charity shops, vaping shops, licenced premises (where the consumption of alcohol is permitted), national and international chain stores. Residential properties are excluded from this scheme.

How much grant could I receive?

A maximum of £2,500 grant to contribute towards up to 50% of the total eligible cost of the project (excluding VAT).

How do I apply?

Applicants will need to submit:

- An application form
- A business plan
- 12-month cash flow forecast and profit & loss
- Three written quotes for any single item costing over £2,000
- A copy of your latest business accounts
- Confirmation of any necessary approvals, if required, e.g. planning permission, building regulations²

As the grant is paid in arrears applicants will initially need to pay for the total project. For example to obtain the maximum grant of £2,500 applicants will need to spend at least £5,000 (excluding VAT).

All applications will be subject to an assessment by a Panel and the amount offered will be at the discretion of the Panel and only whilst funds are available. The Panel's decision is final.

In all cases applicants need to apply for the grant by submitting their full application and obtain a written approval if the application, **before** any work is undertaken or

items/equipment purchased. The grant will not be paid towards the cost of transactions that have occurred before the date of the approval.

What can I use the grant for?

The grant can contribute towards expenditure including the following:

- Replacement shop front, windows and doors
- Reinstatement of traditionally styled shop fronts, sash windows and doors
- Painting of existing shop fronts and upper floors (including render)
- Replacement gutter and downpipes
- Replacement signage
- Internal security grilles
- Costs associated with planning permission and building regulations fees
- Architects fees

When is the grant paid?

If the grant application is approved, applicants will have up to four months to submit copies of relevant invoices and bank statements showing that eligible expenditure has been made. All invoices and bank statements must be dated **after** the grant approval date. **Items purchased using cash will not be eligible for grant payment.**

The grant amount paid will be the lesser of the agreed amount or half of the eligible expenditure (excluding VAT).

To draw down the maximum grant of £2,500 applicants will need to provide evidence of expenditure on the agreed items of at least £5,000 (excluding VAT).

The grant payment will be made directly into the applicant's *business bank account via BACS.

***Business bank account** definition: A business bank account is a trading commercial account in the name of the applying business. All purchases must be made via the business account and all claim payments will be made to the same business account. Personal or current accounts are NOT eligible.

Important notes

The amount of funding a business can apply for is restricted to £2,500 in a 12 month period. This can be made from multiple eligible grants that total up to a maximum of £2,500.

Any applicant who is offered and claims up to the scheme's maximum amount (in this case £2,500) will not be eligible to apply to the same scheme again, even after a 12 month period has passed.

Applications submitted by Agents or Consultants **will not** be accepted. All applications must be submitted by the applicant.

Only items and work recommended by the Council will be eligible for grant payment to contribute towards shop front improvements. Applicants within Ashfield district will need to contact Forward Planning on 01623 457383 to discuss their proposals
