

Huthwaite Welfare Park

Draft masterplan for consultation

This masterplan shows our plan for Huthwaite Welfare Park. The design has been created following the initial consultation earlier this year.

For 2021/2022 we have funding to install a new play area and associated improvements. Later phases identified on the plan will be delivered once funding becomes available.

In later phases we would like to carry out the following:

- Install a new balance bike track and a new scooter park
- Improve the MUGA
- Improve the tennis courts
- Improve the football pitch
- Introduce an area for edible planting
- Repurpose the pavillion for community use
- Create a new picnic area
- Install fitness equipment
- Improve the path network
- Improve entrances
- Plant a wildflower meadow.

We would like to hear from you. Please let us know what you think about the masterplan and also which improvements you would like to see prioritised for further phases.

The consultation closes Sunday 18 July 2021.
