Dear Forward Planning Team

Re: Ashfield District Council - Main Modifications to the submitted Ashfield Local Plan

Thank you for your notification of the 17th June 2026 seeking the views of the Coal Authority on the above.

We have previously commented on the Local Plan and supported the inclusion of Policy SD8: Contaminated Land and Unstable Land. We note that there are no changes identified for this policy and on that basis the Planning team at the Coal Authority have no specific comments to make on the Main Modifications proposed.

Yours faithfully

Melanie Lindsley
