FIRST SCHEDULE

The HGV Routeing Scheme

1. The Operator for themselves and their successors in title to the Site hereby covenant to ensure that all HGVs owned or controlled or contracted by the Operator shall not in the course of HGV movements of any description whatsoever in connection with the Development travel to or from the Site by using the B6139 west of the A611/B6139 crossroads and specifically:
 - (a) any HGVs turning right out of the Site shall upon reaching the A611/B6139 crossroads either head north-east up the A611 towards the A617 Mansfield-Ashfield Regeneration Route (MARR) or travel south-west along the A611 towards junction 27 of the M1 Motorway and provided further that any HGVs which turn left out of the Site and then head south-east along the B6139 towards the B6020 Blidworth Road and then towards the A60 shall not travel along Little Ricket Lane to access the A60 but shall travel to the A60/B6020 crossroads and then head either north or south along the A60 (as the B6020 east of the A60 has an 18 tonne HGV weight limit restriction) and
 - (b) as regards any HGVs entering the Site then due to the A611/B6139 crossroads having a "no right turn" restriction in place for vehicles heading north-east along the A611 then shall ensure that those HGVs heading towards the Site from the south shall turn right at the A611/B6020 crossroads and then turn left into the B6139 before entering the Site via a right turn AND shall ensure that those HGVs heading towards the Site from the A60 to the east shall not travel along Little Ricket Lane to access the B6020 and shall also enter the Site via a right turn AND those HGVs heading to the Site from the north-east shall turn left at the A611/B6139 crossroads and enter the Site via a left turn
2. The Operator shall take all such proper and necessary steps (including the provision and maintenance of suitable signs and notices) to require drivers of all HGVs travelling to and from the Site to observe these restrictions

3. The Operator shall in order to comply with the provisions of paragraphs 1(a) and 1(b) above:

(a) issue or cause to be issued directives to the drivers of HGVs under the direct control of the Operator or otherwise lawfully entering and leaving the Site setting out and requiring compliance with the permitted journey routes prescribed in paragraphs 1(a) and 1(b) above and requiring avoidance of any alternative routes

(b) use all reasonable endeavours to ensure compliance with such directives including the inclusion of such directive requirements within the Conditions of Contract of all haulage contractors employed by the Operator to travel to and/or from the Site and such Conditions of Contract to include an escalating sanctions regime whereby a warning will be issued for a first breach of such requirements by a contractor followed by a written warning for any second breach and then for any third breach a notice suspending a contractors haulage contract for a period of not less than seven days and in the event that a contractor or its drivers fail to comply with such lorry routeing restrictions on four or more occasions the termination by the Operator of such contractor's haulage contract

use all reasonable endeavours to enforce such contractual requirements where any breaches come to the attention of the Operator

(c) inform the County Council of the steps it has taken to comply with the requirements of this paragraph 3

(d) monitor the routeing of such HGVs travelling to and from the Site by carrying out random spot checks at the exit to the Site and on the local road network to ensure such compliance and such checks to be undertaken not less than four times per calendar year evidence of which shall be provided to the County Council within one month of a written request from the County Council and

(e) issue to all HGV drivers a map indicating the routes to be used and any prohibited routes

SECOND SCHEDULE
