Independent auditor's report to the members of Ashfield District Council

Report on the audit of the financial statements

Disclaimer of opinion on the financial statements

We were appointed to audit the financial statements of Ashfield District Council ('the Council') for the year ended 31 March 2024, which comprise the Comprehensive Income and Expenditure Statement, the Movement in Reserves Statement, the Balance Sheet, the Cash Flow Statement, Housing Revenue Account – Income and Expenditure Statement, Collection Fund statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24.

We do not express an opinion on the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for disclaimer of opinion

On 30 September 2024, the Accounts and Audit (Amendment) Regulations 2024 ('The Amendment Regulations') came into force. The Amendment Regulations require the Council to publish its Accountability Statements, which include the financial statements and auditor's opinion for the year ended 31 March 2024, by 28 February 2025 ('the backstop date').

The backstop date introduced by the Amendment Regulations has impeded our ability to obtain sufficient appropriate evidence upon which to form an opinion on the financial statements as there has been insufficient time to perform all necessary audit procedures, including up to 18 March 2025 because of the Council's failure to approve its financial statements by the backstop date.

Responsibilities of the Corporate Resources Director for the financial statements

As explained more fully in the Statement of the Corporate Resources Director's Responsibilities, the Corporate Resources Director is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, and for being satisfied that they give a true and fair view. The Corporate Resources Director is also responsible for such internal control as the Corporate Resources Director determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Corporate Resources Director is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24 and prepare the financial statements on a going concern basis on the assumption that the functions of the Council will continue in operational existence for the foreseeable future. The Corporate Resources Director is responsible for assessing each year whether or not it is appropriate for the Council to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Council's financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements. In reaching this judgement we have complied with the requirements of the Code of Audit Practice and have had regard to the Local Audit Reset and Recovery Implementation Guidance published by the National Audit Office and endorsed by the Financial Reporting Council.

We are independent of the Council in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on the Council's arrangements for securing economy, efficiency, and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our view we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2024.

On the basis of our work, having regard to the guidance issued by the Comptroller and Auditor General in November 2024, we have identified the following significant weakness in the Council's governance arrangements for the year ended 31 March 2024.

Significant weakness in arrangements	Recommendation
The Council has not met the publication date for draft financial statements in either of the past two financial years nor has it addressed the deficiencies in its financial reporting arrangements raised in February 2024, which is evidence of a significant weakness in the Council's arrangements for governance and how it ensures effective processes and systems are in place to support its statutory financial reporting requirements.	The Council must implement previously identified recommendations and put in place proper arrangements for the effective closedown of its financial statements, including: arrangements for quality control and review; ensuring key estimates and judgements in the financial statements are supported by complete and accurate information, provided on a timely basis; and working papers that support accurate statutory financial reporting that is reflective of the underlying transactions.

Responsibilities of the Council

The Council is responsible for putting in place proper arrangements to secure economy, efficiency, and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the review of arrangements for securing economy, efficiency, and effectiveness in the use of resources

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency, and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency, and effectiveness in its use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

We are also required by the Code of Audit Practice, to give an opinion on whether other information published together with the audited financial statements, is consistent with the financial statements. Because of the matter described in the Basis for Disclaimer of Opinion section we do not express an opinion on the financial statements. We also do not express an opinion on whether other information published together with the audited financial statements is consistent with the financial statements.

Use of the audit report

This report is made solely to the members of Ashfield District Council, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Council those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Council, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of the audit

We cannot formally conclude the audit and issue an audit certificate until the National Audit Office has communicated the work we are required to undertake as component auditors for the Whole of Government Accounts.
