Tickets

# Automation for YOU?!

## ABOUT

We would like to invite you to attend our Automation for YOU?! event. This event is particularly aimed at businesses who have yet to embrace the benefits of automation, or who want to build on their initial activities. It will present a breadth of cost effective, automation and digitisation solutions, as well as introducing some more advanced technologies.

Meet solutions providers offering a range of automation and digital solutions and hear success stories from successful automation adopters.

Tickets are free and provide access to either our morning or afternoon sessions.
